

**"Beware of Lepto-
Lefu, the bacteria
from pigs that can
hurt you!"**

When you go to a piggery,
wear:

- Long pants
- Long sleeve shirt
- Safety glasses
- Gloves
- Boots

After working at the piggery, wash your hands or take a shower before you eat or play. Tell your family so they can be protected from the **Leptospirosis** disease. For more information call AS-EPA at 633-2304.
